It was a good time . . .

And we thought it would last forever!

The last page of the 1972 Cougar is completed; and with it go my thanks to Charles Hunter, the representative from Hunter Publishing Company; to Mary Nichols, for her great service to the Cougar Staff; and to Mrs. Jo Walker, the lay-out artist, who gave us so many unique ideas. Many long hours went into producing this book. The frustrations of failing to meet deadlines and the possibility of having a late yearbook were really bad times. But hopefully, the 1972 Cougar captured the most memorable moments,and the school year was a good time.
